Through eJarima portal (https://dyhxx.ejarima.uz) citizens and organizations can send DVR records of traffic violations to the State Traffic Safety Service (STSS) and receive a reward of 5% of the minimal salary (11,150 UZS / 1.17 USD) once the violation is approved by the STSS.

**WHY DO WE NEED THIS?**

- To improve driving culture and abidance by traffic regulations, to reduce traffic violations and accidents
- To decrease administrative and infrastructural burden on the municipality, to reduce traffic
- To collect additional contributions to the budget
- To engage the public in addressing the issue of road safety

**SYSTEM EFFICIENCY**

- **50,000+** traffic violations reported in July-December 2019
- **6,700** registered users
- **15,148** recordings rejected due to:
  - Number plate not visible: 5,393
  - No violation identified: 3,028
  - Second video not sent: 963
  - Video edited: 603
  - Record not from DVR: 421
  - Other reasons: 4,740

- **The amount of remuneration to active citizens amounted to more than 381 million soums**

**IN TASHKENT:**

- Central parts of the city
- Fergana Yuli street
- Urda
- near the Cathedral of the Sacred Heart of Jesus

- Tashkent
The resolution of the video must be at least 720×480 PIXELS.

The video recordings are accepted with a duration of no more than 120 sec.

The video must show the DATE AND TIME when the recording was made.

The video must display the MODEL AND BRAND OF THE VEHICLE recorded, THE LICENSE PLATE NUMBER must be visible and distinguishable.

For videos with violations of the rules of stopping and parking, 2 files are required to be sent. The second video should be recorded at least 10 minutes after the first one.

The videos are accepted no LATER THAN 3 days after the date of the alleged violation.

The video recordings are accepted only if made using the DVRs.

The amount of the reward is automatically credited to the mobile phone number or plastic card (to legal entities – to their bank accounts) of the sender upon payment of the penalty by the offender.

The sender is required to specify:
- Place, date and time of the violation
- Full name, address of actual residence, postal code (name of legal entity and location)
- Mobile phone number or bank card number and e-mail address (bank account details)

Data on the persons who provided video recordings of violations is kept strictly confidential.

Important:
- The application is subject to be examined within three days from the date of submission.
- Response to the applicant is sent within 15 days in electronic form.
- The amount of the reward is automatically credited to the mobile phone number or plastic card (to legal entities – to their bank accounts) of the sender upon payment of the penalty by the offender.

Let’s make our roads safe together!
